associate, team leader - urban planning.

**office.** +61 3 9070 1166

**mobile.** 0431 312 737

**email.** ryanm@meshplanning.com.au

Ryan is a highly motivated planner with broad experience in range of strategic and statutory projects traversing the private sector, local and state government.

Ryan's background in architecture and urban design means that he brings a design sensibility and practicality to the process. His clarity of expression, technical skill and the conviction of his delivery means that he is a strong performer at Council meetings and within the Victorian Civil and Administrative Tribunal.

Having a focus on development facilitation, he understands that the key to great service is responsiveness – ensuring that issues are addressed quickly and projects keep moving. Ryan is personable and tenacious in equal measure, making him a very effective development facilitator. His expertise in the Victorian planning system is accompanied with experience in planning matters in other states including New South Wales, South Australia and Tasmania.

Placing great value on strong client relationships, Ryan takes pride in working to move from simply a planning consultant to becoming your trusted planning advisor.
