email. trisha@meshplanning.com.au

Trisha is our graphic designer and creative partner who specialises in producing visual identities, corporate reports and tender documents that add demonstrable value to our clients and their projects.

She collaborates with our urban design and planning team at every stage of the creative process, from concept and design to production and delivery, to ensure that our work and brand is clear, accessible, balanced and consistent.

Since completing her Bachelor Degree in Multimedia Design at Curtin University in 2004, Trisha has honed her expertise in a variety of senior and consulting roles in the public and private sectors.
